

**Advertisement: 2022**

North Attleborough Housing Authority is seeking a **Full Time Maintenance Mechanic**. Position requires skills in electrical, plumbing, carpentry, painting, snow removal, grounds keeping and general cleaning procedures. Requires cleaning and basic maintenance/repairs of apartment. Also required is the ability to manage time between routine tasks while assisting colleagues with their projects and assisting the Executive Director with specific duties. Massachusetts Driver's License is required, as is reliable transportation. Reliability and being present and "on time" are key to success in this position. Multi-lingual skills are preferred.

This staff is subject to on call duty rotation and will require overtime. Must be a team player with ability to work independently. Education must include high school diploma and training certificate beyond high school. Experience must demonstrate a reliable "public service patience" with people of differing cultures, income-levels, education-levels, and logic. Also required is minimum of four (4) years' experience in maintenance of buildings, with 8-10 years preferred. Must be able to work well with residents of all ages and backgrounds in a professional manner. Job descriptions and Applications may be obtained by email: [Dan@NorthAttleboroHousing.org](mailto:Dan@NorthAttleboroHousing.org) Send to:
